

ANSH SHARMA

Raigarh (Chhattisgarh) , INDIA | P: +91 9343044641 | [email](#) | [LinkedIn](#)

PROFILE

An enthusiastic and result driven (Personality attributes) Computer Science Engineer with expertise in (Technical competencies/Skills) along with (Personal competencies/Skills).

EDUCATION

OP JINDAL UNIVERSITY

Bachelor of Engineering

Major in Computer Science

Cumulative GPA: 6.57/10.0

Relevant Coursework: Data Structure, Software Engineering; Operating Systems; Algorithms; Artificial Intelligence

Raigarh, CG

Expected May 2027

TECHNICAL SKILLS

Data analytics

Data base queries

C (Programming language)

MYSQL

Core java

UI/UX

PYTHON

R(Programming language)

Web Development

ACADEMIC PROJECTS

AI Chatbot with Image Recognition:

- Tech Stack: HTML, CSS, JavaScript, Gemini 1.5 Flash, Netlify.
- Developed an interactive web-based chatbot that supports image input and uses Gemini 1.5 Flash for conversational AI and image recognition.
- Designed a responsive UI using HTML, CSS, and vanilla JavaScript.
- Deployed the app using Netlify with real-time functionality.
- Live demo: [anshchatbot.netlify.app](#)

General Knowledge Quiz App

- Tech Stack: Kotlin (Android)
- Created an Android app that offers fast-paced quiz challenges across various categories including science, history, and sports
- Focused on user-friendly UI, smooth navigation, and engaging quiz flow
- Built entirely in Kotlin with dynamic question handling and scoring logic
- Encourages self-learning and knowledge building in an interactive format

Anime-Themed Personal Portfolio Website

- Tech Stack: HTML, CSS, JavaScript, Font Awesome
- Designed and developed a visually striking anime-inspired portfolio website with a glowing dark theme and responsive layout.
- Integrated animated typing effects and hover transitions to enhance user engagement using CSS keyframes and animations.
- Built a modular, clean interface featuring smooth navigation and a personal introduction section.
- Customized styling with bold red-on-black color schemes, creating a unique branding aligned with the avatar art.
- Live demo: <https://anshportfolioproject.netlify.app/>

CERTIFICATIONS

- Introduction to android mobile application development.
- Data analytics essentials.
- Introduction to SQL.

ACTIVITIES & ACHIEVEMENTS

- Executive committee member at IEEE
- Student volunteer at NSS
- Participation in UI/UX competition at IIIT Raipur
- Participation in SIH 2024

ADDITIONAL

Professional Skills: Lifelong learning, persuasion skills

Languages: English, Hindi
